Office Memorandum

38/5/2018-Fin (R & C)/1493

Sub.: Measures to be taken by various State Government Authorities for ensuring compliance to GST by taxpayers/contractors/suppliers, etc.

The Goods & Services Tax (GST) regime has been implemented in India w.e.f. 01-07-2017 and by now, after more than a year, the GST common Portal has stabilized and taxpayers are filing their returns online on the portal https://www.gst.gov.in. It has been noticed that there are sizeable number of registered taxpayers from the works contract sector who are non-compliant on GST common portal and have failed to make timely payments of GST collected by them, while filing returns.

2. The provisions of section 51 of GST Law (Central Goods & Services Act, 2017 and the Goa Goods & Service Tax Act, 2017) relating to Tax Deduction at Source (TDS) have still not been implemented and as such TDS deductions are not being presently made. As a result of this situation, the Works Contractors/Suppliers are getting into their hands the entire portion of tax amount of 12% of the value of contract from the Government without any TDS. Thus if a works contractor/supplier commits any default in filing his GST returns on time, he is able to utilize this tax amount for his business without depositing the same into Government Treasury.
